PROGRAM

EMS Rendezvous Conference & Tradeshow

This year marks the 35th Annual North Dakota Emergency Medical Services Conference. The planning committee of the North Dakota EMS Association is seeking Sponsors who would assist in defraying the costs for the spring conference:

Pre-Conference Sessions:

These sessions are held one day prior to the conference, Thursday, April 2. Sessions vary in length from four hours to eight hours.

Conference Sessions:

The two-day conference begins on Friday, April 3 and goes through Saturday, April 4. During this conference, participants enhance their knowledge of pre-hospital care by attending the exhibit show, educational lectures and hands-on sessions. The conference sessions are designed to meet the requirements for some Continuing Education Units (CEU) for emergency care providers.

Please feel free to contact us with any questions.

Take a look at our **LIBRARY** for past conference books and our newsletter, **Response Times**. Get a feel for what happens during these three very busy days. It truly is amazing to see the dedication and passion EMS personnel have for their profession, especially since most of them are **volunteers!** That says a lot about the **value** these individuals place on helping others. We ask that you recognize the value of what these squads do and become a Sponsor of the conference.

During the **Rendezvous**, a **Silent Auction** is held as a fun way to raise a little money. In 2008, we had bids right down to the last second between members, staff and vendors. People actually stayed to see who got the coveted item. Donating an item for auction would be another way for your organization to help NDEMSEA help our members.

This conference attracts more than 600 pre-hospital care providers from North Dakota, Canada, Montana, South Dakota, Minnesota :

EMTs
Paramedics
Registered Nurses
Emergency Physicians
Law Enforcement Personnel
First Responders

EMS Educators
Firefighters
Rescue Personnel
Administrators
Dispatchers
